Subject Re: 2009-2010 Legacy Land application

Hi Molly -

Ken can correct me, but yes, the County is buying the property from the landowner (the landowner may be Aloha Properties, or an intermediate landowner like TPL if it is necessary to buy the property earlier).

Hi Ken,

Thank you for the County of Hawaii application to Legacy Land for the Pao'o project. After looking through the application, I have one small question: does the county intend to purchase the land directly from the landowner?
